***Subject bibliography:
“Tet holiday”***

2022-2023 School Year

The Vietnamese lunar new year, or we usually call “Tet holiday” is the largest and most popular culture festival in Vietnam. The name of “Tet Nguyen Dan” came from China when the word "Tet" means "Tiet" and a year was often divided into 24 "Tiet". "Tiet Nguyen Dan" was considered the first period of the year, which have "Nguyen" means the beginning, and "Dan" means early morning.

In order to help students better understand this traditional festival, thereby fostering more national love, the Library of Vietnam - Finland International School compiles a subject bibliography about **Tet holiday** including 05 books as follows:

1. Sự tích cây nêu ngày tết : Truyện tranh
2. Tết xưa thơ bé : Dành cho lứa tuổi 9+
3. Nhớ ơi là Tết : Dành cho lứa tuổi 9+
4. Kể chuyện Tết Nguyên đán
5. Những ngày Tết Ta

In the compilation process, although we have tried our best, it is inevitable that there will be shortcomings. We look forward to receiving contributions and construction from readers so that the next compilation of the bibliography will be more complete.

Sincerely thank!
